Vengeance™ — 8GB Dual Channel DDR3 I Kit (CMZ8GX3M2A1866C9)

SKU# CMZ8GX3M2A1866C9

Corsair Vengeance DDR3 memory modules are designed with overclockers in mind. DIMMs are built using RAM specially selected for their high-performance potential. Heat spreaders help dissipate heat, and provide the aggressive look that you want in your system. As a bonus, the attractive low price of Vengeance memory will also leave lots of room in your system build budget.

Awards

OverclockersClub - December, 2010
Vengeance wins Gold at ...
